**SPONSORSHIP OPPORTUNITIES
WEBB PARTY 2025**

San Antonio AIDS Foundation

The San Antonio AIDS Foundation envisions a community where people living with HIV will thrive free of stigma and discrimination and positive sexual health is a reality for all. Our mission is to eliminate new HIV infections, improve the health and well-being of people living with HIV, AIDS and sexually transmitted infections (STIs) through education, prevention, and equitable access to sexual healthcare. SAAF lead the way in supporting compassionate care for individuals affected by HIV/AIDS. Founded in 1986 as a volunteer-run hospice, SAAF provided residential nursing services over 30 years to nearly 2,000 individuals living with HIV/AIDS. In the past decade, SAAF has evolved to address the changing needs of our community.

In addition to wrap-around support services for people living with HIV, SAAF now houses an out-patient clinic providing HIV, PrEP and STI services and an on-site pharmacy. SAAF's founder was the first to offer free condoms and HIV testing in the community. Building on that legacy, today SAAF provides over 5,000 HIV and STI tests yearly while reducing stigma through education and outreach and serving more than 2,500 people living with HIV.

Support your community.

Your sponsorship helps SAAF provide health education across Bexar county and surrounding areas. Your continued support means we can offer free testing services, prevention through PrEP, and services to individuals living with HIV including case management, mental health care, hot meals from Café SAAF, housing assistance, medical care and pharmaceutical assistance.

Make a difference.

We will Get To Zero by limiting the spread of HIV and STIs through education, prevention, early diagnosis and treatment. Your sponsorship can help End the Epidemic.

WEBB Party

In 1993, a group of friends hosted a spectacular party to celebrate the LGBTQ+ community amidst the devastation of AIDS. Inspired by the proverb: "When spiders unite, they can tie up a lion," they united in the web to fight the HIV/AIDS epidemic. Thirty-two years later, WEBB brings is the premier event in the 10-day Fiesta San Antonio extravaganza. We invite you to become part of the web by becoming a sponsor of WEBB Party 2025.
